Attention: Office of Petition

Dear Sir or Madam:

SUBJECT: CHANGE TO PROVISIONAL PATENT

I am writing to inform you that I would like to change my small-entity nonprovisional utility patent application to a provisional patent application due in part to my limited time and work schedule in providing a concise and thorough provisional patent application.

My Application Number is 10/074,935; the Filing Date is 02/14/2002; the Title is "Catalasan Nuclear Fusion Reactor a Rotating Centrifugal-Laser Nuclear Fusion Reactor;" and my Examiner is Rick Palabrica.

I intend to file a more detailed and precise small-entity nonprovisional patent application when I have the necessary time to do so; some time in the very near future.

Respectfully,

Mr. Peter Paul Catalasan
Chief Theoretical Research Scientist
Advanced Catalasan Research Laboratories, Inc.
